

5 Acres Near Casino And Golf Resorts

TBD L'auberge Blvd, Lake Charles, LA

Property Description

Zoned Business, this 5-acre m/l acre parcel offers 259' along the East side of L'auberge Blvd. The South boundary is in common with Prien Plaza Shopping Center and cross access to Contraband Parkway is available from the North side.

Due to the proximity to Golden Nugget and L'auberge Casinos and Golf resorts, major retailers such as Walmart, Sam's, Target, and many others, this property is poised for a variety of uses, including hospitality, restaurant, entertainment, professional offices, retail, recreation, or multi-family/senior housing.

The new shared access lane makes it easy to place a restaurant, entertainment, or retail offering near the front with multi-family/senior housing or offices on the North and East side. This would provide residents with a view of nature similar to that afforded hotel guests at the Marriot hotels on the North side of Contraband Parkway.

259' Fronting L'auberge Blvd

Site Description

Area 2 is strategically positioned just before the intersection of L'auberge Blvd and Contraband Parkway. This prime location is bordered to the South by Prien Plaza, boasting prominent retailers and restaurants that add to its convenience and appeal.

As depicted in the drone image above, the recently completed access lane off of L'auberge Blvd has been designed to optimize the property's potential for a diverse range of end-users.

The property offers cross-access to Contraband Parkway, a 4-lane thoroughfare linking W. Prien Lake Road at the traffic circle near Holly Hill Road to L'auberge Blvd (formerly Nelson Road) at L'auberge Avenue. L'auberge Blvd transitions to Nelson Road at I-210. This corridor boasts a plethora of retail, restaurants, and medical offices, making Area 2 particularly appealing to medical professionals seeking convenience in reaching Cal-Cam Hospital in Sulphur, Christus Ochsner Lake Area Hospital on Nelson Road, Memorial Hospital in Oak Park, and Christus Ochsner Health Center on Dr Michael DeBakey Drive.

Except for a narrow strip along the drainage lateral on the West side, which is unlikely to necessitate mitigation, Area 2 is devoid of wetlands, offering a prime canvas for development.

The buyer is responsible for conducting a survey and implementing the remaining necessary infrastructure. An Alta survey featuring closed properties and a completed traffic impact analysis are readily available for review.
